## WE ARE ONE: PLAN. PROTECT. PREPARE:

### CHILDCARE AND EMERGENCY PLANNING FOR PARENTS IN UNCERTAIN TIMES

Join us for a special webinar presented by Bet Tzedek and focused on helping California parents prepare for immigration-related emergencies and safeguard their children through effective childcare planning. This session will cover essential tools like the Caregiver's Authorization Affidavit and options for temporary or permanent guardianship, so you can build a plan that protects your children if you're unable to care for them. We will also walk through recent changes to California laws that support parents during times of crisis or unexpected absence.
